

The Africa Bibliography... Goes Digital

From 2011 the authoritative guide to works in African studies will be available as a fully-searchable online database. The digital bibliography has been developed by the International African Institute (IAI) and Cambridge University Press, in consultation with Africanist librarians and will include...

- Full bibliographic records
Including books, journal articles and chapters
- Classification by region, country and subject
- Advanced search functionality
Using quick search, advanced Boolean, faceted search and browse options
- Full-text linking
Through CrossRef and Google Scholar
- OpenURL compatible
- Multiple search export formats
compatible with all familiar citation management software tools
